**"NOW TO HIM WHO IS ABLE TO DO IMMEASURABLY MORE THAN ALL WE ASK OR IMAGINE, ACCORDING TO HIS POWER THAT IS AT WORK WITHIN US."
EPHESIANS 3:20**

Big Hope Ministries is in the process of raising funds to help support the Buen Samaritan Clinic in Batey 7 in the Dominican Republic. We began this campaign with the goal to raise \$150,000 to help with the upkeep of the clinic, salaries for the clinic staff, medicines, and for one US staff person.

Our prayer is to open this clinic again and provide Christ-centered medical help to more than 10,000 people that are within walking distance. The clinic is the only medical care available for the people living in this region. The Dominicans that reside nearby cannot afford to go into the city for medical care. This clinic will also care for women, children, adolescent girls, and pregnant and lactating mothers. Through the clinic we will provide water, sanitation, and hygiene education (WASH).

The Buen Samaritan Clinic is located in the center of Batey 7 which is home to approximately 5,000 people and shares the grounds with a church which is the focal point for making this clinic successful. We hope to be able to provide medical and the gospel through the church's use.

THINK BIG

Our prayer is that you would join us on this campaign to pledge one dollar a day for 365 days to equal a donation of \$365. We are thankful for each of you and your support and for helping spread the word about how God will work through this ministry in the Dominican Republic. We aim to reach our goal of \$150,000 by June 2023. We pray that each of you will help us attain this goal.

God Bless!
