

# BIG HOPE

BEARDEN MINISTRIES INC.

Happy November from Big Hope Ministries!

As we near the close of another incredible year, our hearts are overflowing with gratitude. 2025 has been a year of blessings and transformation — from medical teams bringing healing in the bateys to construction crews restoring spaces of hope. Every prayer, donation, and act of service has reflected God’s faithfulness through His people.

Each time we see a child smile, Americans and Dominicans worship together, or teams gathered in prayer, we’re reminded that Big Hope is more than a ministry — it’s a family of believers living out the call to love our neighbors and be the hands and feet of Christ.

In these times of uncertainty in our world, it’s easy to feel weighed down — by worry, by fear, by the challenges of daily life. But there’s good news: the same strength that carried the cross, that bore the weight of the world, still carries us today. No burden is too heavy. No valley is too deep. You are not alone in your struggle.

Our “Healing Hands, Hopeful Hearts” End-of-Year Impact Campaign is about more than words — it’s about hope, faith, and action. In these uncertain times, we find peace knowing the same strength that carried the cross still carries us today. Together, we can lift one another up and show how God works through ordinary people like you and me.

As we prepare for this season of giving, we ask for your prayers. Join us in praying each day for the specific needs of Big Hope Bearden Ministries. Pray that God continues to guide our hands and hearts and open new doors for hope and healing in the Dominican Republic.

Together, we are part of a story far greater than our own — one that reflects God’s unshakable love for His people. As we look toward the new year, let’s stand together — believing, serving, and carrying one another forward. Thank you for being part of this mission of hope and healing through faith.

.....

**“If He carried the weight of the world upon His shoulders... my brother, my sister — He will carry you.”**
